

CENTRAL MISSOURI HONOR FLIGHT VETERAN APPLICATION

Central Missouri Honor Flight recognizes American veterans for your sacrifices and achievements by flying you to Washington, DC to see YOUR memorial at **no cost.** Top priority is given to WW II and terminally ill veterans from **all** wars. Second priority goes to Korean War veterans and third priority goes to Vietnam War veterans. In order for **CM Honor Flight** to achieve this goal, guardians fly with the veterans on every flight providing assistance and helping veterans have a **safe**, memorable and rewarding experience. We select the guardians. By submitting a guardian application (family or friend) with this application does not, in any way, guarantee that they will be selected. Family members or friends who are not medically qualified or veterans will not be considered for guardianship. For what you and your fellow veterans have given to us, please consider this a small token of appreciation from all of us at **Central Missouri Honor Flight**. For further information, please contact us at (573) 256-1930 or contact us via our website: www.centralmissourihonorflight.com
